

# SOUTHLAKE PLASTIC SURGERY

Dr. Mark E. Mason, Medical Director and Founder of Southlake Plastic Surgery and Med Spa, offers a comprehensive range of surgical and nonsurgical cosmetic procedures. Dr. Mason specializes in cosmetic surgical and nonsurgical procedures of the body and face. Dr. Mason's expertise and love for aesthetic surgery led him to study plastic and reconstructive surgery at Stanford University Medical Center, one of the country's leading medical institutions. During this time, Dr. Mason learned state-of-the-art techniques in the heart of high-tech Silicon Valley among world-renowned leaders in the field of plastic and reconstructive surgery.

Dr. Mason is certified by the American Board of Plastic Surgery and is a member of the American Society of Plastic Surgeons. He is a member of the Association of Aesthetic Plastic Surgeons, the Dallas Society of Plastic Surgeons, and the Zedplast Plastic Surgery Alumni Association of Stanford University. As a plastic surgeon with over 20 years of experience, Dr. Mason also offers the comfort and privacy of a AAAASF-accredited surgery facility located within his clinic facility. Southlake Plastic Surgery Med Spa offers a range of nonsurgical options ranging from aesthetic injectables (Botox, Dysport, fillers, Sculptra, and more), Coolsculpting Elite, PRP treatments, and state-of-the-art laser procedures by Sciton.

Dr. Mason dedicates his free time and energy to supporting his community and schools. He has given several presentations nationally and has authored several research articles and book chapters. He strives to maintain the highest standards of care and continues his pursuit of excellence by attending several seminars and meetings to offer the latest in cosmetic surgery.
